

SOFTWARE LICENSE – IMAGENAV™ VISUAL NAVIGATION SOFTWARE (OBJECT CODE ONLY)

This software license agreement (“Agreement”) is entered into as of the date of delivery of the ImageNav™ Visual Navigation Software or components thereof (including but not limited to ImageNav™ Functional Software family, ImageNav™ FTS software, ImageNav™ Terrain Suitability Tool family, and other components of the ImageNav™ suite that may be developed from time to time) by and between Scientific Systems Company, Inc. (SSCI), a Massachusetts corporation with its principal place of business at 500 West Cummings Park, Suite 3000, Woburn, MA 01801 (“Licensor”), and the licensee of SSCI’s ImageNav™ Visual Navigation Software (“Licensee”).

1.0 License Grant.

1.1 Licensor hereby grants to Licensee a nonexclusive, non-transferable license, without right to sublicense, to use ImageNav™ Visual Navigation Software, including but not limited to associated media, printed materials or other documentation (collectively “Licensed Software”) for the term of this Agreement subject to the provisions contained herein. No license, express or implied, is granted except as provided herein.

1.2 Licensee may use the Licensed Software only for the weapon system that the ImageNav™ Visual Navigation Software is tailored or configured, inclusive of any mission planning or control systems that may apply to the weapon system.

1.3 Any reference to sale or purchase notwithstanding, title to the Licensed Software and all copies thereof shall be and remain with Licensor, and no title to or ownership of the Licensed Software or any portion thereof is conveyed or transferred to the Licensee. Licensee acknowledges that the Licensed Software constitutes confidential and proprietary information and trade secrets of Licensor, whether or not the Licensed Software, or any portion thereof are or may be copyrighted or copyrightable and/or patented or patentable, and that disclosure of the Licensed Software to Licensee is on the basis of the confidential relationship between the Licensee and the Licensor under this Agreement. This obligation survives termination of this Agreement.

2.0 Limitations on Use

2.1 The Licensee’s use and disclosure of the Licensed Software is restricted solely to employees of the Licensee.

2.2 Licensee shall not have the right under this Agreement: (i) to reverse engineer, decompile, disassemble, re-engineer or otherwise create or attempt to create or permit, allow, or assist others to create the source code of the Licensed Software, or its structural framework; or (ii) to use the Licensed Software in whole or in part for any purpose except as expressly provided under this Agreement.

2.3 Licensee may not grant any sublicenses or assign any of its rights under this Agreement without prior written consent of Licensor, which Licensor may withhold at its sole discretion. Moreover, Licensee may not rent, lease or lend the Licensed Software.

2.4 Except for one backup copy, licensee shall not duplicate the Licensed Software onto any media, including, without limitation, paper, magnetic tape, paper tape, disk or electronic memory. All such copies shall be prominently labeled with the following copyright notice: “© Scientific Systems Company, Inc. 2003-2018. Copy made by permission of Scientific Systems Company, Inc.” The full text of this Agreement shall conspicuously appear with all backup, archival and installed copies of the Licensed Software.

2.5 Except as expressly permitted herein, Licensee shall not disclose or otherwise make available the Licensed Software, or any portion thereof, to any third party or to any employee of Licensee who is not of necessity authorized by Licensee to use the Licensed Software in Licensee’s business. Licensee shall take all other reasonable steps necessary to ensure the Licensed Software, or any portions thereof, are not disclosed or otherwise made available by Licensee (or employees of Licensee) to any third party.

2.6 The Licensee agrees that a modification or enhancement to the Licensed Software developed by the Licensee with or without advice or support by Licensor or by Licensor for the Licensee, whether or not reimbursed by the Licensee and whether or not developed in conjunction with the Licensee’s employees, agents or contractors shall be the property of Licensor, with the enhancement or modification granted to Licensee under the terms described in this Agreement. The Licensee further agrees that modified or enhanced versions of the Licensed Software do not constitute a program different from the Licensed Software, and as such, fall under the other terms and conditions of the Agreement.

2.7 This Software License does not authorize Licensee to use Licensor’s name or any of Licensor’s trademarks or logos. Licensee acknowledges that Licensor owns the “ImageNav” trademarks. Licensee agrees to not do anything harmful to or inconsistent with Licensor’s rights in the ImageNav trademark and to assist Licensor in protecting those rights.

2.8 U.S. GOVERNMENT RIGHTS. The ImageNav™ software product is a “Commercial Item,” as that term is defined in 48 C.F.R. 2.101 and 48 C.F.R. Part 12, and is comprised of “commercial computer software” and “commercial computer software documentation.” By accepting delivery of this software, the Government agrees this software qualifies as “commercial” computer software within the meaning of the acquisition regulations applicable to this procurement. If acquired by or on behalf of a civilian agency, the U.S. Government acquires this commercial computer software and commercial computer software documentation subject to the terms of this license as specified in 48 C.F.R. 12.212 (Computer Software) and 12.211 (Technical Data) of the Federal Acquisition Regulations (“FAR”) and its successors. If acquired by or on behalf of any agency within the Department of Defense (“DOD”), the U.S. Government acquires this commercial computer software or commercial computer software documentation subject to the terms of this License as specified in 48 C.F.R. 227.7202-3 and 48 C.F.R. 227.7202-4 of the DoD FAR Supplement (“DFARS”) and its successors, and consistent with 48 C.F.R. 12.212 and 48 C.F.R. 227.7202 is in lieu of, and supersedes, any other FAR, DFARS, or other clause or provision that addresses Government rights in computer software, computer software documentation or technical data related to ImageNav™ under this Agreement and in any Subcontract under which this commercial computer software and commercial computer software documentation is acquired or licensed. No Government funds given in connection with this Agreement were, shall be or shall be deemed to have been paid for development of the ImageNav™ software product. If this license fails to meet the Government’s needs or is inconsistent in any respect with Federal law, the Government agrees to return this software, unused, to the seller.

3.0 Confidentiality

3.1 Each of Licensor and Licensee shall hold in confidence and not disclose (except on a confidential basis to its employees who need to know and who are bound in writing to preserve the confidentiality thereof) all proprietary information received from the other party in the same manner and to the same extent as it holds in confidence its own proprietary information, and shall not use any such proprietary information except for purposes contemplated by the Agreement.

3.2 Licensee hereby acknowledges that the Licensed Software and any documentation licensed thereunder is a valuable trade secret of Licensor and hereby agrees to maintain it in the strictest confidence.

3.3 The obligations to the Licensee set forth above, however, shall not apply to the Licensed Software, or any portion thereof, which: (1) is now or hereafter becomes publicly known; (2) is disclosed to the Licensee by a third party which the Licensee has no reason to believe is not legally entitled to disclose such information; (3) is known by the Licensee prior to its receipt of the Licensed Software; (4) is subsequently developed by the Licensee independently of any disclosures made hereunder by Licensor; or (5) is disclosed with Licensor’s prior written consent.

4.0 Representations, Disclaimer of Warranty, Limitation of Liability

4.1 Representations

4.1.1 Subject to the rights granted to the Licensee pursuant to this Agreement, all right, title and interest in and to the Licensed Software and all related materials are and shall at all times remain the sole and exclusive property of Licensor. Licensor may use, sell, assign, transfer and license copies of and rights relating to the Licensed Software to third parties free from any claim of the Licensee.

4.1.2 Licensor does not warrant that the Licensed Software will meet the needs of Licensee.

4.1.3 The Licensed Software is not qualified for operational aircraft or weapon guidance. The Licensed Software is not designed or intended for use in on-line control of aircraft, air traffic, or aircraft communications; or in the design, construction, operation or maintenance of any nuclear facility. Licensee warrants that it will not use or redistribute the Licensed Software for such purposes.

4.2 Disclaimer of Warranty

4.2.1 Disclaimer of Warranty on ImageNav™ Visual Navigation Software. You expressly acknowledge and agree that use of the ImageNav™ Software is at your sole risk. The ImageNav™ Software is provided "AS IS," "WITH ALL FAULTS" and without warranty of any kind.

4.2.2 You, not SSCI, shall have sole responsibility for the safe and reliable operation of any system that ImageNav™ Software may be installed in, and SSCI shall not be responsible or liable for any adverse actions, operation, or movement of that system whether or not they cause harm to persons or property. It is your responsibility to ensure that all safety precautions are in place (including safety pilots/riders, physical barriers or restraints, flight termination systems, etc.) and are functioning properly before any operation of the system with ImageNav™ software installed is attempted.

4.2.3 SSCI EXPRESSLY DISCLAIMS ALL WARRANTIES, EXPRESS OR IMPLIED, INCLUDING, BUT NOT LIMITED TO, IMPLIED WARRANTIES THAT THE IMAGENAV™ SOFTWARE AND SERVICES DISTRIBUTED BY SSCI ARE MERCHANTABLE, OF SATISFACTORY QUALITY, ACCURATE, TIMELY, FIT FOR A PARTICULAR PURPOSE OR NEED, OR NON-INFRINGEMENT. SSCI DOES NOT WARRANT THAT THE FUNCTIONS CONTAINED IN THE IMAGENAV™ SOFTWARE WILL MEET YOUR REQUIREMENTS, OR THAT THE OPERATION OF THE IMAGENAV™ SOFTWARE WILL BE UNINTERRUPTED OR ERROR-FREE, OR THAT DEFECTS IN THE IMAGENAV™ SOFTWARE WILL BE CORRECTED. FURTHERMORE, SSCI DOES NOT WARRANT OR MAKE ANY REPRESENTATIONS REGARDING THE USE OR THE RESULTS OF THE USE OF THE IMAGENAV™ SOFTWARE OR RELATED DOCUMENTATION OR SUPPORT IN TERMS OF THEIR CORRECTNESS, ACCURACY, RELIABILITY, OR OTHERWISE. NO ORAL OR WRITTEN INFORMATION OR ADVICE GIVEN BY SSCI OR AN AUTHORIZED REPRESENTATIVE OF SSCI SHALL CREATE A WARRANTY OR IN ANY WAY INCREASE THE SCOPE OF THIS WARRANTY. SHOULD THE IMAGENAV™ SOFTWARE PROVE DEFECTIVE, YOU (AND NOT SSCI OR AN AUTHORIZED REPRESENTATIVE OF SSCI) ASSUME THE ENTIRE COST OF ALL NECESSARY SERVICING, REPAIR OR CORRECTION. SOME JURISDICTIONS DO NOT ALLOW THE EXCLUSION OF IMPLIED WARRANTIES, SO THE ABOVE EXCLUSION MAY NOT APPLY TO YOU.

4.2.4 Limitation of Liability. YOUR EXCLUSIVE REMEDY REGARDING ANY MEDIUM CONTAINING THE IMAGENAV™ SOFTWARE PROVIDED BY SSCI SHALL BE THE REPLACEMENT OF ANY SUCH MEDIUM FOUND TO BE DEFECTIVE. SSCI AND ITS SUPPLIERS SHALL NOT BE LIABLE FOR ANY INDIRECT, SPECIAL, INCIDENTAL, CONSEQUENTIAL OR EXEMPLARY DAMAGES ARISING FROM YOUR USE OF, INABILITY TO USE, OR RELIANCE UPON THE IMAGENAV™ SOFTWARE. THESE EXCLUSIONS APPLY TO ANY CLAIMS FOR LOST PROFITS, LOST OR MISDIRECTED DATA, LOSS

OF GOODWILL, WORK STOPPAGE, COMPUTER FAILURE OR MALFUNCTION, OR ANY OTHER COMMERCIAL DAMAGES OR LOSSES, EVEN IF SSCI KNEW OR SHOULD HAVE KNOWN OF THE POSSIBILITY OF SUCH DAMAGES. BECAUSE SOME STATES OR JURISDICTIONS DO NOT ALLOW THE EXCLUSION OR THE LIMITATION OF LIABILITY FOR CONSEQUENTIAL OR INCIDENTAL DAMAGES, IN SUCH STATES OR JURISDICTIONS, SSCI'S LIABILITY, AND THE LIABILITY OF ITS SUPPLIERS, SHALL BE LIMITED TO THE EXTENT PERMITTED BY LAW. In no event shall SSCI's total liability to you for all damages exceed the amount paid for the ImageNav™ Software.

5.0 Default and Termination

5.1 Licensee may terminate this License at any time by destroying all copies of Licensed Software. Upon termination for any reason whatsoever, Licensee must destroy all copies of Licensed Software

6.0 Other Provisions

6.1 Neither this Agreement nor any rights or licenses granted herein may be assigned or delegated without the written consent of Licensor, provided that Licensee shall be entitled to assign this Agreement to an entity which purchases substantially all of its assets or purchases a majority interest in the voting stock or otherwise assumes the business of Licensee. This Agreement shall inure to the benefit of and be binding upon any permitted successor or assign of the parties.

6.2 If any provision of this Agreement or the application of any such provision shall be held by a tribunal of competent jurisdiction to be contrary to law, the remaining provisions of this Agreement shall remain in full force and effect.

6.3 This Agreement and any applicable Subcontract, Purchase Order or similar instrument accepted by Licensee constitutes the entire agreement between the parties in connection with the subject matter hereof and supersedes all prior and contemporaneous agreements, understandings, negotiations and discussions, whether oral or written, of the parties, and there are no warranties, representations and/or agreements among the parties in conjunction with the subject matter hereof except as specifically set forth or referred to herein.

6.4 Software, including associated technical data, is subject to U.S. export control laws, including the U.S. Export Administration Act and its associated regulations, and may be subject to export or import regulations in other countries. Licensee agrees to comply strictly with all such regulations and acknowledges that it has the responsibility to obtain licenses to export, re-export, or import Licensed Software. Licensed Software may not be downloaded, or otherwise exported or re-exported (i) into, or to a national or resident of, Cuba, Iraq, Iran, North Korea, Libya, Sudan, Syria or any country to which the U.S. has embargoed goods; or (ii) to anyone on the U.S. Treasury Department's list of Specially Designated Nations or the U.S. Commerce Department's Table of Denial Orders.

6.5 This License does not constitute and shall not be construed as constituting a partnership or joint venture between Licensor and Licensee. Licensee shall have no right to obligate or bind Licensor in any manner whatsoever, and nothing herein contained shall give or is intended to give any rights of any kind to third parties.
